**Please find below and/or attached an Office communication concerning this application or proceeding.**

The time period for reply, if any, is set in the attached communication.

## DETAILED ACTION

### *Response to Amendment*

The reply filed on 28 April 2008 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

Applicant failed to respond appropriately to the Lack of Unity of Invention Requirement (i.e., Election of Species Requirement) spanning the bottom of page 2 to the middle of page 4 of the Office Action mailed 28 December 2007. More particularly, Applicant's statement on page 5 of 5 in the "Remarks/Arguments" section of the "Election" filed 28 April 2008 stating that "Applicant elects the species of Figures 3A-3C" is non-responsive because no single species corresponding to Figs. 3a-3c has been listed. In order to be fully responsive, Applicant must elect one of SPECIES I (i.e., Fig. 3a) OR SPECIES II (i.e., Fig. 3b) OR SPECIES III (Fig. 3c) OR SPECIES IV (i.e., Fig. 4a) OR SPECIES V (i.e., Fig. 4b) as these are all different examples of various arrangements for stage sets that Applicant can make from the plurality of stage elements.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gay Ann Spahn whose telephone number is (571)-272-7731. The examiner can normally be reached on Monday through Friday, 10:30 am to 7:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Richard E. Chilcot can be reached on (571)-272-6777. The fax phone number for the organization where this application or proceeding is assigned is (571)-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
